Rocket

Cover it with pattern blocks

Finished picture

Players: 1 child, or 2 taking turns.

Cut out the paper blocks on page 3, or use real pattern blocks.

Cover each shape on the picture.

Count each kind and write how many.

Tip: 2 green triangles make 1 blue rhombus. Try it.

How many?

hexagon trapezoid rhombus triangle square

1 inch

Print at 100% (actual size). This box should be 1 inch on each side, so the paper blocks match real pattern blocks.

Turtle

Cover it with pattern blocks

Cover each shape on the turtle. Then count each kind and write how many. Print at 100% (actual size), so the blocks fit.

Finished picture

How many?

hexagon	triangle	square	blue rhombus	tan rhombus
____	____	____	____	____

Challenge: Cover the hexagon with 6 triangles instead.

Paper Blocks

Cut on the black lines

Cut out each block on the black lines. One page fills the rocket and the turtle at the same time. A grown-up can cut the thin tan pieces.

Print at 100% (actual size). This box should be 1 inch on each side, so the paper blocks match real pattern blocks.
