Sight Word Race

A board game for sight words

Get ready. Cut out the cards on page 3. One card each. Counters on START.

How to play

Players: 2 to 4, a counter each, one die and crayons.

Roll the die. Move that many tiles. Keep going around.

Read the word you land on. Say it out loud.

Who has it on a card? Color its box. The first to color all five wins.

Tip: Not reading yet? Find the same word on your card. A grown-up says it. You say it back.

Print as many copies as you like for your home or class. Please share the page, not the file.
