Valentine Roll and Cover

A math game for Kindergarten and 1st Grade

Happy Valentine's Day! A game for 2 players.

How to play

Players: 2. Each player needs a red or a yellow crayon, and you need 1 or 2 dice.

Roll and find the number. On the 1st grade board, roll two dice and add.

Color or cover one heart with that number. If none is left, your turn ends.

When the board is full, or after 10 minutes, count yours. More hearts wins.

Tip: Try to say the number before you count the dots.

Laminate the boards for counters or dry-erase markers.
